Kallinich T, Wittkowski H, Keitzer R, Roth J, Foell D
Neutrophil-derived S100A12 as novel biomarker of inflammation in Familial Mediterranean Fever
Ann Rheum Dis, 2010;69:677-82

Kallinich T, Gattorno M, Grattan CE, de Koning HD, Traidl-Hoffmann C, Feist E, Krause K, Lipsker D, Navarini AA, Maurer M, Lachmann HJ, Simon A
Unexplained recurrent fever: when is autoinflammation the explanation?
Allergy. 2013;68:285-96

Kallinich T
Regulating against the dysregulation: new treatment options in autoinflammation
Semin Immunopathol. 2015;37:429-37

Kallinich T, Lieber M, Lohse U, Foell D, Wittkowski H.
Increased Serum Concentrations of Neutrophil-derived Protein S100A12 in Apparently Asymptomatic Heterozygous Carriers of MEFV Mutation
Clin Exp Rheumatol, 2015;33:S113-6

Kallinich T, Thorwarth A, von Stuckrad SL, Rösen-Wolff A, Luksch H, Hundsdoerfer P, Minden K, Krawitz P
Juvenile arthritis caused by a novel FAMIN (LACC1) mutation in two children.
Pediatr Rheumatol Online J. 2016 Nov 24;14(1):63.

Anne-Marie Knieper, Jens Klotsche, Elke Lainka, Thomas Berger, Frank Dressler, Annette F Jansson, Christoph Rietschel, Prasad T Oommen, Rainer Berendes, Tim Niehues, Ulrich Neudorf, Dirk Foell, Helmut Wittkowski, Tilmann Kallinich
Familial mediterranean fever in children and adolescents: factors for colchicine dosage and predicting parameters for dose increase
Rheumatology, 2017, *accepted*

Foster HE, Minden K, Clemente D, Leon L, McDonagh JE, Kamphuis S, Berggren K, van Pelt P, Wouters C, Waite-Jones J, Tattersall R, Wyllie R, Stones SR, Martini A, Constantin T, Schalm S, Fidanci B, Erer B, Dermikaya E, Ozen S, Carmona L.
EULAR/PReS standards and recommendations for the transitional care of young people with juvenile-onset rheumatic diseases.
Ann Rheum Dis. 2016 Apr;76(4):639-646.

Horneff G, Klein A, Oommen PT, Hospach A, Foeldvari I, Feddersen I, Minden K.
Update on malignancies in children with juvenile idiopathic arthritis in the German BIKER Registry.
Clin Exp Rheumatol. 2016 Nov-Dec;34(6):1113-1120.

Klotsche J, Raab A, Niewerth M, Sengler C, Ganser G, Kallinich T, Niehues T, Hufnagel M, Thon A, Hospach T, Horneff G, Minden K.
Outcome and trends in treatment of systemic juvenile idiopathic arthritis in the German National Pediatric Rheumatological Database from 2000 to 2013.
Arthritis Rheumatol 2016 Dec;68(12):3023-3034.
Klotsche J, Niewerth M, Haas JP, Huppertz HI, Zink A, Horneff G, Minden K.
Long-term safety of etanercept and adalimumab compared to methotrexate in patients with juvenile idiopathic arthritis (JIA).
Ann Rheum Dis. 2016;75:855-61.
